The Group reported revenue for the 2017 first quarter of €64.4 million, up 6.0% from last year's same period (+2.5% at constant currency).

The trend for sales on a sequential basis remains in line with the last quarter of 2016, after adjusting for the mechanical effect of 2.2% less billing days in the period (90 days in Q1 2017 compared to 92 days in Q4 2016).

This growth was driven largely by Mongolia, Russia, Saudi Arabia and Mauritania.

Outlook

Based on the level of revenues in this first quarter, CIS is able to maintain its objective for growth in 2017, with efforts to focus on the following key areas:

- improving performances in Brazil;
- engaging in a sustained program seeking to increasing the performances of our Algerian subsidiary;
- strengthening our market positions in Africa and Eurasia;
- pursuing business development in the Middle East.
